To MPH Students:

Attached is the Department of Epidemiology and Public Health schedule for Spring 2012.

MPH registration for Spring 2012 is open until January 22nd.

Dual Degree students may register through SURFS, however, registrations must be approved by your MPH advisor. All other students must register through the Academic Office - you must complete the attached registration form and return it to me by email, fax or in person. The registration form must be signed or approved (via email) by your MPH advisor.

If you are registering for courses in the Graduate School or in one of the professional schools at UM please refer to that school's course offerings in SURFS Class Schedule (http://www.simsweb.umaryland.edu/). If you are registering for an elective course at UMBC, you must refer to their website for course offerings and come to my office to complete an Inter-Institutional Enrollment Form for registration. Please note below the date course instruction begins for UM and UMBC.

Graduate School (instruction begins Jan. 23rd)
Law School (instruction begins Jan. 17th)
Nursing School (instruction begins Jan. 23rd)
School of Social Work (instruction begins Jan. 17th)
