EXTERNSHIP SCHEDULES:

General OR

Report at **6:30 am** to the Weinberg Anesthesia Office located on the 2nd floor. Ask for the “Anesthesia Floor Runner”. This person will assign you to a room. If the Floor Runner is not in the Anesthesia Office – go to the OR Desk and have them page the Anesthesia Floor Runner.

Pain Management

Call 410.471.7872 after 5:00 pm the day before your Pain Rotation to ask what time and where to report on your Pain Day. Arrive the next day in appropriate clinic attire and white coat. After rounds, you must report to the MD Pain Center at Kernan Hospital (*directions attached*).

OB Anesthesia

In scrubs, report at **6:30 am** to OB Anesthesia Office in Labor and Delivery, (7th Floor, South Hospital, right outside the ORs for Labor and Delivery.

Cardiac Anesthesia and Neuroanesthesia

Determine starting time with assigned resident the previous day, if at all possible. If not, report no later than **6:45 am** to your assigned room.

Trauma Center

Report at **6:30 am**, in **scrubs**, to the Charge Anesthesiologist in the Anesthesia Workroom located next to the Post-Anesthetic Care Unit on the 2nd floor of the hospital, adjacent to the elevators. Bring stethoscope and be ready to work.

Prep Center

Report at **8:30 am** to Prep Center (1st Floor, Weinberg Building, across from the Learning Center). Ask for the Anesthesiologist. You will follow the Anesthesia Resident for the day. Anesthesiologists meet with patients at the Prep Center for discussions prior to their scheduled surgery.
