VIDEO TAPES (VHS)

Available through Veterinary Resources Current - 1999

- 1. **Alzet Osmotic Pumps Surgical Implantation Techniques**. Alza Corp. (23:15)
- 2. **Use of the Microisolator Caging System** Lab Products
- 3. **Surgical Procedures on Swine** Charles River (36.:30)
- 4. Practical Methodology: Endotracheal Intubation of the Rat and Hamster UC Davis (10:30)
- 5. Practical Methodology: Endotracheal Intubation of the Guinea Pig UC Davis (12:30)
- 6. **Practical Methodology: Endotracheal Intubation of the Rabbit** UC Davis (13:00)
- 7. Practical Methodology: Humane Handling and Lab Techniques for the Hamster UC Davis (22:00)
- 8. Practical Methodology: Humane Handling and Lab Techniques for the Mouse UC Davis (19:00)
- 9. Practical Methodology: Humane Handling and Lab Techniques for the Rat UC Davis (21:00) (2 copies)
- 10. Practical Methodology: Humane Handling and Lab Techniques for the Guinea Pig UC Davis (18:00) (2 copies)
- 11. Practical Methodology: Humane Handling and Lab Techniques for the Rabbit UC Davis (25:00) (2 copies)
- 12. Practical Methodology: Reptiles, Part I Humane Handling, Restraint and Husbandry UC Davis (17:00)
- 13. Practical Methodology: Reptiles, Part II Special Laboratory Techniques UC Davis (17:40)
- 14. Practical Methodology: Non-human Primates Part I Personal Safety, Primate Handling and Restraint UC Davis (18:40)

- 15. Practical Methodology: Non-human Primates Part II Special Laboratory Techniques UC Davis (15:22)
- 16. **"Will I Be All Right Doctor?"** FBR (25:00)
- 17. **Caring for Life** FBR (10:30)
- 18. Using Animals in Research: Guidelines for Investigators

Three tape series produced by Animal Welfare Information Center - National Agricultural Library - USDA, 1986 (5 hours)

- 19. **"Hope"** FBR (17:02) (2 copies)
- 20. **Dr. C. Everett Koop Public Service Announcements** FBR (0:30 each) (2 copies)

A Book for Doctors When I was Young

- 21. Thoren Caging Systems, Inc. The Ultimate System (11:00)
- 22. **Surgical Instruments and Their Use**, Dr. P. Vasseur, UC Davis (0:33)
- 23. **Antiarrhythmic Drugs**, Dr. S.N. Giri, UC Davis (0:24)
- 24. **Orientation to Small Animal Intensive Care Unit**, Dr. S. Haskins, UC Davis
- 25. **Catheterization Techniques Venous and Arterial**, Dr. Haskins and Dr. Parker, UC Davis (0:42)
- 26. **Bone Marrow Aspiration Bovine and Canine**, Dr. N. Jain, UC Davis (0:16)
- 27. Knot Tying-Hand and Instrument, Dr. I. Gourley, UC Davis
- 28. Why I Should Stay Awake in Science Class FBR (2 copies)
- 29. **Michael Carey, M.D.** 60 Minutes, Ambrose Video (15:00)
- 30. **Canine and Feline Diseases**, Dr. T. J. VanWinkle, University of Pennsylvania, vol. 27, 28, tape 1 2
- 31. **Poikilotherm and Lab Animal Disease**, Dr. Miriam Anver, Charles Louis Davis, DVM Foundation for Advancement of Veterinary and Comparative Pathology, vol. 30, tape 1 (30:00)

- 32. **Laboratory Rodent Diseases**, Dr. S. W. Barthold, Yale University, vol 42, 43, 44, tapes 1 3
- 33. **Saving Inky**, National Aquarium in Baltimore (15:50)
- 34. Surgical Implantation of Whiffle Golf Ball in Rabbits, 9/29/93
- 35. **Animal Research**, Channel 45, 10/9/92 (3 copies)
- 36. Bench to Bedside: Creating Tomorrow Today, AMA (8/93)
- 37. Use of TiterMax Adjuvant
- 38. **Into the Danger Zone**, Inf. Dis., 48 hours
- 39. **TechnoPolitics** Paris vs. Mattews
- 40. **Respiratory Fit Tests** 6100 series, Willson Safety Products
- 41. Procedures for Handling Monkeys Infected with Immunodeficiency Viruses
 General Precautions for Handling Human Blood, Body Fluids and Tissues,
 Billie Davison and Jeff Falkenstein
- 42. Fundamentals of Blood Gas Analysis: Collection, Measurement and Interpretation, Dr. J. Jones, UC Davis (33:00)
- 43. **Laboratory Animal Diseases**, Dr. P. C. Stromberg, Ohio State University, vol. 34, 35, 36, tapes 1 3
- 44. **Gross Pathology of the Disease of Non-Human Primates**, Dr. L. Lowenstine, UC Davis
- 45. **Diseases of Sub-Human Primates**, Dr. G. Baskin, Charles Louis Davis, DVM Foundation for Advancement of Veterinary and Comparative Pathology, Tapes 41, 42, Lectures 1 2
- 46. Primate Disease, Dr. L. Lowenstine, Charles Louis Davis, DVM Foundation for Advancement of Veterinary and Comparative Pathology, Tapes 65, 66, Lectures 1 - 2
- 47. **Disease of the Rat**, Dr. P. Stromberg, Charles Louis Davis, DVM Foundation for Advancement of Veterinary and Comparative Pathology, vol. 34, 35, 36, Tape 1 3
- 48. Disease of Non-Human Primates, Dr. G. Baskin, Charles Louis Davis, DVM

Foundation for Advancement of Veterinary and Comparative Pathology, vol. 41, 42, Tape 1 - 2

- 49. **Macroscopic Descriptive Techniques**, Charles Louis Davis, DVM Foundation for Advancement of Veterinary and Comparative Pathology, Tape 1 2
- 50. **Descriptive Macro Pathology**, Dr. B. Williams, Charles Louis Davis, DVM Foundation for Advancement of Veterinary and Comparative Pathology, vol. 1 2, Lectures 1 4
- 51. **The Ototemp Infrared Tympanic Temperature Scanner**, Exergen Corporation, Instructions for Use
- 52. **Taped Technologies**, Dr. J. Morrey

Tape One: Polymerase Chain Reaction (PCR) and Detection

Tape Two: DNA Sequencing Using PCR
Tape Three: Sample Preparations for PCR
Tape Four: Avoiding False Positives in PCR

- 53. BioEast BioConferences International, Inc.
 - E01 Transgenic Animals in the Production of BioPharmaceuticals
 - E39 Genetic Immunization: Protective Immune Responses, Receptor Therapy
 - E40 Genetic Immunization: Genotoxicity, drug Delivery and DNA Inoculation
 - E53 Antisense (Oligonucleotide) Therapy: Development
- 54. **Diseases of Rats**, Dr. Paul C. Stromberg, Charles Louis Davis, DVM Foundation for Advancement of Veterinary and Comparative Pathology, Tape 35, Lecture 1 of 3.
- 55. **Pathology of the Liver**, Dr. T.S.G.A.M. van den Ingh, Charles Louis Davis, DVM Foundation for Advancement of Veterinary and Comparative Pathology, Tape 0007, Lectures 1, 2 and 3 of 4.
- 56. **Diseases of Rodents and Rabbits** Dr. Dean H. Percy, Charles Louis Davis, DVM Foundation for Advancement of Veterinary and Comparative Pathology, Lectures 1, 2 & 3.
