Career Booster: Tip of the Month

Keep track of your progress with a Checklist! Keeping track of tasks during the residency application cycle can feel daunting, but using an organized checklist helps you manage your time and make sure you are keeping up with deadlines. You can find **personalized month-by-month checklists** for the Main Match, Military Match, and Early Match in the Residency

Application Manual. *Note: Specific Dates and specialty-specific details are subject to change throughout the cycle.* [RAP – Checklists.](#)

Your Next Steps: Action Items

- Complete the Advanced Clinical Phase Scheduling Process
- Apply for Extramural (Away) Rotations
- Schedule the USMLE Step 2 Examination
- If you are considering an enrichment year off – let us know ASAP
- Refine or Confirm your Career/Specialty Choice

Please **confirm that your specialty choice is accurate on your MedScope/Career Profile**; Updates can be made by dragging selections
